- In this page the user is logged in as a "Student" and we can see that rather than "LOGIN" button an "AVATAR" is showing.
- After filling all the details when student clicks "CONTACT US" button then just an alert or a prompt will be shown saying that "the message has been sent".
- The student can also click on his/her "AVATAR" which will open a prompt with info like, Photo(AVATAR), Name, emailId, Profile & Signout.
- Next to the Avatar symbol would be a bell icon for notifications, if there is a red dot on top of the bell icon that means there are unattended messages.

→ Profile of tutor with Recent Reviews at bottom.

→ Message button will have a lock symbol if this is the first time you are sending message, and only once can a student send message until tutor accepts the request.

Once a student's request message is approved then the lock symbol will be removed, and further messages can be sent.

→ Now student clicks on message button
